Radius Collection
Cleaning & Care Instructions

Congratulations on the purchase of your Tropitone Radius furniture. Read through all steps before cleaning.

CAUTION: Do not try to lift or flip furniture components with only one person. Components may be heavy and awkward to handle, and may result in injury to persons or damage to property if not lifted properly.

Cleaning Supplies Required

- Cleaning Solution (Lysol All Purpose®, Mr. Clean®, or other non-abrasive multi-purpose cleaner)
- Sponge or cloth
- Clean water
- Limited cleaning: light use of a scrubbing sponge for treatment of marks

Radius Collection
Component Cleaning Instructions

Remove any seat pads and throw pillows to prevent staining of fabric, as cleaners used on marine grade polymer furniture are not appropriate for fabric. Unsnap pads, by gently pulling the snap at the connection to the pad. Stack on a clean and dry surface.

Apply cleaning solution directly to heavily soiled areas. Using a mild scrub sponge, wipe the entire furniture surface. Heavily soiled areas can be lightly scrubbed a scouring pad or scrubbing sponge.

Rinse furniture thoroughly with clean water.

Dry thoroughly before installing pads. Install pads and snap into place. Replace throw pillows.

Fabric Care & Cleaning Instructions

To maintain the appearance of your Tropitone furniture, seat pads should be cleaned on a regular basis.

Substances such as food morsels and dirt should not be allowed to accumulate and become embedded in the fabric.

For normal cleaning, prepare a solution of 1/4 cup of mild soap per gallon of warm water (less than 100° F / 38° C). Use a soft bristle brush or a sponge to clean the fabric. The soap/water solution may be allowed to soak into the fabric.

Rinse thoroughly with clean water.

Allow pads to air dry by standing the pads on their side.

Please refer to the Tropitone Care, Maintenance, Safety & Warranty Information brochure for detailed cleaning and stain removal information.

If you have difficulty understanding any of the instructions and need assistance, please call Tropitone’s Customer Service Center at 949-951-2010.
